

# *Baptist Preachers And Nigger Jokes*

Acts 20:27 “For I have not shunned to declare unto you all the counsel of God.”

2 Timothy 4:2 “Preach the Word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine.”

First let me be clear; I would witness to a Negro as quickly as I would any other race. I am sorry for using a term they themselves use in this article.

However, I am not going to avoid the Scriptures in order to have a Negro in our congregation as many of the brethren do. If a Black couple or family wants to come to our Church they need not expect me to avoid what God says about the Hamite. If an interracial couple (Hamite and Gentile, or Hamite and Jew, etc.) wants to come to our assembly they will need to know I will not be silent about their UN scriptural union just to keep them. It has nothing to do with being prejudiced; it is a matter of the Bible.

A preacher not only has the call of God upon him, but the COMMAND of GOD as well, to PREACH THE WORD! Perhaps that’s the problem, too many lack the call of God. They listened to some emotional plea, and answered the call of some ignorant preacher who can now brag on how God called someone under his ministry. No wonder they have no preach in them. As it was in the day of the prophets, so it is now. God said, “I have not sent these prophets, yet they ran: I have not spoken to them, yet they prophesied.” Jeremiah 23:21

When Paul said, “I have not shunned,” he made it clear. We are not to shrink, cower, hold back, conceal, withdraw, or draw back in our message. Our job is to Preach the Word, not edit it. When a preacher starts culling his sermon so he doesn’t offend anyone he is thinking more about his billfold than the Bible.

I appreciate every Preacher who still stands on the Word. I’m thankful for both of you! (I’m kidding of course, at least I hope I am.)

In days gone by you could go to a Bible Conference and hear a few preachers who had the touch of God on them. Men, who had the power of God on them with the mind and message of God, would thunder from the pulpit. They had no fear, nor favor of men.

Page 2

Pep Rally Preaching has now taken its place. What a sorry trade off. Preachers now cater to one another in hopes of getting another meeting. They preach so they can get the applause of men because they have become a hireling. All their sermon preparation is centered on their pocketbooks.

This cliquish crowd is tied to their buddies rather than the Bible. They love FELLOWSHIP. They love to eat, drink, and be merry; and you guessed it, they love to tell NIGGER JOKES! Independent Baptists are the worst of the lot.

They laugh and tell one nigger joke after another for hours at a time. They love to make up songs with nigger lyrics. They like to walk like, talk like, and act like Negroes. It's a real hoot!

However, you will not hear one of them preach against Interracial Marriages in light of the Scriptures. No sir, they dare not offend that Caucasian-Negro mixed couple in their congregation.

One preacher has a Negro son-in-law married to his white daughter, but he doesn't have a sermon against Interracial Marriages. Another has a Negro daughter-in-law married to his white son, but he doesn't have a sermon against Interracial Marriages. Another has illegitimate Negro grandchildren, but he doesn't have a message against Interracial Marriages. We could go on and on with this sad story. They try to comfort each other in their dilemmas. They laugh and tell each other every nigger joke they've ever heard, but they DON'T HAVE A MESSAGE against Interracial Marriages!

It is good we can comfort one another, but we ought not to feel COMFORTABLE in a situation that is against the Scripture.

Salvation is of the Lord. The Lord Jesus Christ died for the whole world, and it was God who divided the races.

A Black Woman needs the Lord as much as a White Woman does, but a Black Woman does not need a White Husband!

A Black Man needs the Lord as much as a White Man does, but a Black Man does not need a White Wife!

Get the picture? I'm against Interracial Marriages because the Bible is. (See article on web site "Interracial Marriages in Light of the Scriptures")

I have had many preachers explain to me how they have Military couples and many of them are mixed couples.

Really? Are you going to listen to the MASTER or the military? Military couples need the truth as much as the rest of the world.

There are three things I have learned about Baptist Preachers in the last thirty-six years of ministry. (1) They are too Ignorant to know much of anything, (2) They are too Lazy to find out, and (3) They are too Stupid to care. For the most part, they are Two-Faced Back Stabbers. They are like a fish flopping in the bottom of a boat and every time they flop, they're on

a different side. They may run and hide, but it will not change what they are. These are they who have sold out cheap.

They'll preach about soul winning and faith promise giving, but you won't hear one of them preach about sin and name it.

I've known a bunch of preachers for years that never stood for anything. They claim they are in the encouraging ministry. Encouraging what, is the question?

There is one thing for sure. Something has gone wrong in the field. What happened to the men of God who once cried against sin and the altars of false religion? It is our job to see what is wrong in this world and say something about it. Instead of ignoring it we are to expose it.

Not all sermons are barnburners, but I've known men for thirty years who have never said anything about sin. Sometimes they would get close to it and then laugh it off as though it didn't really matter.

You will never hear these men denounce sin by name. They might hint about sin in general, but you will not hear a word about it specifically. They will never call the Roman Catholic Church a religious Whore, or denounce the Campbellites, Mormons, United Methodists, United Pentecostals, Jehovah's Witness, and other DAMNABLE HERESIES for

what they are. You will not hear these men expose the Southern Baptist Convention for being the modernist liberals they really are. No sir-re buddy! These preachers will not preach about sin, nor interracial marriages, but they will tell plenty of NIGGER JOKES!

Look what happened to Adam when he listened to his wife instead of God. (Genesis 3:17) Look what happened to Saul when he listened to the people instead of the Lord. (1 Samuel 15:24) Look what happened to those preachers of old who became diviners for money. (Micah 3:11) Look what happened to those preachers who became partial in the law. (Malachi 2:9)

You had better wake up preacher! Do you want God to say to you what He said to the preachers of the past? (Jeremiah 23:22) “But if they had stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil way, from the evil of their doings.”

You can gripe about a Negro in the White House all you want, but it may be your kind of thinking and negligence that helped put him there. Yes sir, Shem and Japheth have now become the servants of Ham contrary to the Scriptures. (Genesis 9:24-27)

How did this happen? No doubt part of the reason is because you were busy telling nigger jokes, but you never prepared a sermon on Interracial Marriages in light of the Scriptures. Shame on you.

Every preacher who has preached in our Church has had plenty of liberty. You can preach anything from the Bible you want to and our folks

will shout you on. However, sometimes they go out of town and visit the Churches of some of the preachers we have had in the past, and they notice the preacher is not the same in his own Church as he was in ours.

Will one of you scholars explain it to them? I think they already know, but we would like to hear your take on the matter.

Here is what has happened. You started out being a preacher but somewhere along the way you wanted to become popular. You liked the increase in pay, your acquired possessions, and you became comfortable in your relaxed position. You became content in the flesh, and you just don't want to fight the good fight of faith anymore. Besides, to take a stand now would wash away that soft foundation of sand you've been building upon for the past several years. That Club House you call a Church would crumble. You're as disgusting as a TURD CHUNKING MONKEY in a zoo. No one may be the wiser here on this earth as to what you have done, but God is watching.

When He calls for us, and He will, what will you do then?
